## Enrollment Success!

By Larry Vilaubi

One of the signs of a great charter school is demand for enrollment. Thanks to your efforts, we have seen an enormous surge in applications and interest forms for the 2010 – 2011 school year.

As of February 1<sup>st</sup>, we have 109 students enrolled for the fall of 2010 with 97 additional interest forms on file. Since our freshman class is limited to only 120 students, we will be holding our first lottery at the end of February to fill the remaining seats and create a waiting list. I would like to thank all the students and parents who have helped spread the word about LPS in San Jose and beyond.

We can still take a limited number of transfer students in grades 10, 11 and 12 next year, but space is very limited. Please contact Jessica Miranda (408) 937 – 2731 or [jmiranda@leadps.org](mailto:jmiranda@leadps.org) for more information.

## March CAHSEE

By Dylan Smith

March 16<sup>th</sup> and March 17<sup>th</sup> will be very important testing dates for all 10<sup>th</sup> grade students. This is their first chance to take and pass the California High School Exit Exam (CAHSEE) at LPS – San Jose. Our English and math teachers have spent many hours helping to prepare our students for this exam and we need your help as well. Please talk with your student about the importance of this exam and let me know if you would like additional study materials. (408) 373-0643 or [dsmith@leadps.org](mailto:dsmith@leadps.org)

## Semester 1 Grades

By Daniel Poo

We are happy to report that more than 100 students made the Honor Roll (3.0 – 3.33), Dean's List (3.33 – 3.66) and Principal's List (3.66 – 4.0) for the first semester of 2009. When reviewing your student's report card, you may find an INC in place of a letter grade. This means that your student has one or more assignments still due to their teacher. Students with an INC have approximately one month to turn in missing work and receive a grade.

## Baseball Coach Needed

By Daniel Poo

A number of students have expressed interest in playing baseball this spring and LPS – San Jose is accepting applications for a new coach. This is a seasonal position (Feb. 22 to approx May 1<sup>st</sup>) with a stipend of \$1595. The coach will create a practice schedule, organize games and arrange transportation. Call (408) 937-2703 to learn more.
