WASC Success!

By Larry Vilaubi

This month, the Western Association of Schools and Colleges (WASC) gave LPS – San Jose a six-year term of accreditation. This is the longest term of accreditation that WASC can give and a huge accomplishment for our school, given the fact that we have only been in existence for five years! Clearly, WASC has confirmed what we already know to be true: our students, parents, teachers and staff are doing great things at LPS – San Jose.

Summer School Update

By Dylan Smith

As the school year comes to a close, we have received a number of questions about summer school. This year, summer school will run from June 15th to July 24th on the LPS – San Jose campus. Students who earn a D or F in one or more classes will be assigned to summer school and expected to show up on June 15th. Students that need to make up classes from a previous school year need to speak with Mr. Smith to secure their place.

Students will be able to work at their own pace to complete missing assignments. Once your student has completed all their missing work from the school year, they will be done with summer school.

Teachers will compile lists of students recommended for summer school this week and letters will be sent home on June 4th. Look for a summer school letter in your mailbox between June 6th and June 8th. If you have any questions, please call Mr. Smith at (408) 937 – 2700.

1 Month of Free Dress

By Daniel Poo

We have a limited number of spaces for transfer students in the 2009 – 2010 school year. If your child can recruit a 10th or 11th grade student that enrolls at LPS – San Jose, they will receive 1 month of free dress. This offer is good until the 10th and 11th grades are full. See Mr. Poo for more information.
