## Let's Celebrate!

By Larry Vilaubi

We have had a very strong start to the school year and every family should feel proud of our achievement so far.

We had 16 kids earn a 4.0 and, interestingly enough, they are mostly freshmen. Additionally, we have 38 kids who earned between a 3.5 and 3.99 and 52 kids who earned between 3.0 and 3.49. That's 106 of our kids with a 3.0 or better - almost a third of our school.

Congratulations to the following students for academic achievement in the first quarter of the school year!
